

Sports Premium Milwards 2023/2024

Our aim at the Milwards Primary School & Nursery is to ensure every child will develop life skills to be physically literate and lifelong learners with positive attitudes towards physical education and sporting activities. Throughout this year, we aim to provide every child with the opportunity to experience a range of sporting activities. We aim for the quality of our P.E. curriculum to continue at a high standard, the wealth of opportunities given to pupils to participate in competitive sports to increase and the wide range of extra-curricular sports clubs offered to children of different ages to continue.

The income for this year 2023-2024 is £16,000 + £10 per child (£1,850) = **£17,850**

The table below shows how the allocated funding for 2022-2023 was utilised and how the money has secured a sustainable impact on the sporting provision in terms of learning outcomes, engagement, sporting success and pupil well-being.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> Teaching staff undertook some in house training involving Dynamos cricket, rapid fire cricket and 3Tees cricket to support areas of development requested by staff through their teacher surveys. Support from PE lead within lessons, new equipment purchased to widen the curriculum, observations from PE lead to see development throughout the school and additional support provided. After achieving the Gold Award for the fourth consecutive year from the School Games. This is a reflection on the many years of fantastic progress and developments made within school sport. The children and staff of Milwards are extremely proud of this fantastic achievement. Highest ever attendance at a variety of competitions where children have been given the opportunity to experience a sport at a higher competitive level including both town events and county. We have increased the amount of children attending by having A and B teams taking part. We have provided opportunities for our Gifted and Talented children and for those children on our SEN register. Sporting clubs monitored throughout the year for attendance and new clubs introduced for lower Key Stage 1 where there was not as many opportunities. High level of attendance at all clubs offered. This will continue to widen next year, as participation is very high at all clubs. We have provided our annual successful sports days within each Key Stage to accommodate all 200 children being active at once. We have also provided HILT sports days for children to mix and work together with our partner school, which was a great success. 	<ul style="list-style-type: none"> Subject leaders to continue to develop our assessment throughout the school and how this is recorded with evidence. Continuing to increase the percentage of children leading and managing sports events. Create more opportunities for sports captains. Subject leaders to track our Gifted and Talented children as they move throughout the school closer, ensuring opportunities are provided for them. Support teachers with subject knowledge and planning highly engaging, highly active lessons.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	73% of Year 6 can swim 25 metres confidently.
What percentage of your current Year 6 cohort is able to use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	73% of Year 6 can swim 25 metres in a range of strokes including front crawl confidently.
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	73% of Year 6 can perform safe self rescue.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes, children have been to 'Top up swimming' sessions provided by Milwards free of charge to the parents.

*Schools within Harlow have decided to update this information in July, following the academic year.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2023/24	Total fund allocated: £21,100	Date Updated: September 2023			
<p>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school</p>				<p>Percentage of total allocation:</p>	<p>Total costings:</p> <p>£5500 approx.</p>
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:	
<p>Every child to experience 2 hours of high quality Physical Education every week.</p> <p>Purchase equipment for PE lessons, extra-curricular activities and break/lunch time activities.</p>	<p>AUTUMN TERM- Staff to ensure they use their allocated outdoor and indoor PE slots to ensure they have access to space and resources when needed.</p> <p>JS to maintain a larger range of resources at a high standard and easily accessible for staff and children. Separate lunch and break equipment available.</p>	<p>N/A</p> <p>£4000 approx.</p>	<p>Increase of children taking part in regular activity outside of their 2 hour Physical Education sessions within school.</p> <p>Equipment of a high standard and easily accessible for all staff. New resources purchased and in use by all pupils, enhancing safe access to a wider range of sports, and enjoyment in P.E.</p> <p>Break and lunchtime activities available for all pupils to engage in an activity.</p> <p>AUTUMN TERM- Play leaders supporting children to get active and join in a range of games at break and lunchtime.</p> <p>3 storage spaces (indoor, hard area and field) organised based on what sports are being taught in spaces.</p>	<p>JS to be able to monitor at least 2 hour PE sessions are always taking place and the high quality of the lessons are continuing to improve through observations and pupil surveys. JS to encourage staff to add extra short PE sessions (daily run/walk) throughout their week to add towards their PE session.</p> <p>Regular checks of the PE cupboards will keep resources sustainable for the foreseeable future.
