Milwards

Subject: MFL – July 2023

Intent

- To inspire children to be passionate about learning French.
- To encourage children to deepen their knowledge of speaking French when they leave Milwards.
- For children to have a basic French vocabulary including common nouns and phrases.
- For children to be enthusiastic about speaking French.
- For all children to be involved in learning a French appropriately.

Implementation

- To plan fun, active lessons that engage and inspire learners.
- Children learn through ongoing recap and repetition of words and phrases learnt.
- Planning is progressive, building on prior learning through the Salut scheme.
- To plan activities which include speaking, listening and writing tasks.
- To learn through the use of ICT, games, songs, paired, group and whole-class learning.

Impact

- Children leave Milwards having retained the common nouns and phrases they have learnt.
- Children are confident to speak during lessons and join in English and French discussions.
- Children will be enthusiastic about learning French in secondary school.
